All proceeds from this event will go directly to the Mariposas Foundation, this foundation supports family members of children with various types of illness; lymphoma, leukemia, brain cancer, diabetes; the list is endless. Any serious illness can be devastating to family finances, and when it is your child, there is no price too high to pay. Many of these families go without simple things in life that we take for granted, so their young children can perhaps live another day; the Mariposas Foundation helps provide families with these simple items. Please help in our efforts to ease the burden of these stricken families. It could be any one of us at any given time.
