

FTC Donation Letter and Donation Item Form

These documents are accessible as Word Documents so that you may personalize them to your chapter events and signatures.

Please do not remove the FTC logo for any reason and be sure that you are using this current version with the slightly modified FTC logo. Thank you

FTC Donation Letter

Use this for any individuals or businesses you may be wishing to ask for support towards your community's FTC food truck. We will have some brochures and items available if you request by emailing starcharity@startouring.org with your mailing address.

(Please note that FTC is ending their fiscal year and in the process of ordering updated material so supply is limited until the new orders come in. Thank you)

FTC Donation Item Form

This can be used for events you have in your chapter where individuals or businesses may be donating an item instead of money. Proper use of this form will allow FTC to be able to mail an In-Kind Donation Thank You letter to the donors and validate your cause even further.

- Be sure to put the name of your event and date on the top and your chapter name, contact person, email address and/or phone number and your chapter motivation code at the signature block.
- Be sure to ask the donor to fill the form out completely and to be very descriptive of the item in order for FTC to be able to say more than "thank you for a teddy bear".
- Send all donation item forms to the attention of Rebecca Lucas at the following address:
